Greenlam Industries launches its exclusive display center

Chandigarh

Among the top 3 manufacturers in the world for surfacing solutions, Greenlam Industries inaugurated its first exclusive display center, at the Bansal Ply Palace, Shivalik Enclave, Chandigarh. The display center will offer an interactive experience to the consumers wherein they can experience complete range of Decorative Veneers and Engineered Wooden Flooring products from Decowood Veneers and Mikasa Floors. The newly inaugurated display center also houses the award winning installation "Timber Rhythme" conceptualized and designed by renowned architect firm Studio Ardeti lead by Ar. Badrinath Kaleru and Ar. Prema Kaleru. Commenting on the inauguration, Mr. MP Raja Prasad (Country Head, Wood & Allied), Greenlam Industries said, "At Greenlam Industries, we are dedicated to creating innovative and sustainable solutions for our customers. Our display center will showcase an extensive collection of products for interior spaces, offering customers the perfect opportunity to explore and immerse themselves in a diverse range of Greenlam's products, all conveniently located under one roof. With the chance to touch and feel our product offerings firsthand, we aim to make the purchasing process exceptionally convenient and hassle-free, providing our valued customers with an unforgettable shopping journey."
