A Cocktail of Vivacity by Greenlam Industries

Oak Mist by Decowood from the house of Greenlam Industries Ltd. provides the right amount of sophistication to your walls with elegant textures. Give a fresh new look to your space by playing with eccentric geometric patterns. Mix and match your cushions, bed sheets or rugs adorned with patterns such as zig-zag or striped lines, polka dots and more. Go for timeless colour combinations like yellow, black, white and shades of light brown to infuse vibrancy in your furnishings. The secret sauce to ace a balanced home décor look is to blend all these elements in such a way that your room looks uncluttered and vibrant.

Staturio

Price: On request

Staturio by Greenlam Laminates Infinia Countertop Collection from the house of Greenlam Industries Ltd. is

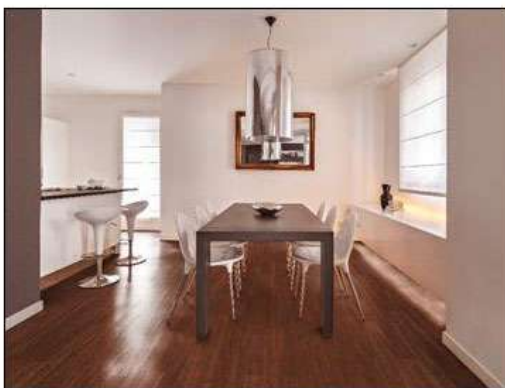

your quintessential escape from dull colours and furnishings for your kitchen. These surfaces come in a variety of designs such as Coastal Dunes and Galaxy which deliver a unique, luxurious look that's perfect for a modern and sophisticated décor. Minimalism being the hottest trend, pair vibrant ottoman cushions for a cosy atmosphere. These countertops are made using innovative printing technology that captures every little nuance and detail making them look chic and pleasing to the eye. Combine it with wooden accessories such as fancy salt and pepper cellars or premium table mats as these are back in vogue.

Noce Coral

Price: On request

Noce Coral by Mikasa engineered wood flooring from the house of Greenlam Industries Ltd. makes your floor look animated and life-affirming. This year, every home décor trend is revolving around hues of whites and metals. One can experiment by placing statement chairs in white colour with a dark chocolate coloured dining table, which will add simplicity to your room. When it comes to beautifying your walls, use dual shades of grey, pink or white. Keep the décor minimalist yet classy by mixing metals through décor pieces or overhead lamps or a photo wall with metal frames. Knitting these shades and elements well together creates a seamless and vivacious ambience for your room.
