

TEXTURED WOOD EXPRESSIONS

From the house of Greenlam Industries Ltd, comes three new decorative laminates and wood flooring solutions to add a touch of warmth and sophistication to a space. Available in gorgeous rough textures in shades of tranquil brown, the Distressed The Plus Oak by Decowood provides a rustic look, which can be accentuated with beige, off-white, teal or yellow statement furniture pieces or furnishings. The engineered wood flooring Oak Earth by Mikasa with brushed texture adds a dreamy touch to your floors. Its signature PlankLoc technology helps in minimal upkeep and ease of installation. The light brown Sweet Almond laminate by Greenlam Laminates comes with woodgrain texture for a neutral-themed wardrobe area.
