Amidst the lockdown period, while you are staying at home to keep yourself safe and at a social distance, cleanliness is equally important inside your house too. Here are few tips to achieve a serene look without compromising on the hygiene factor:

Quill

During the lockdown, we often feel the need to unwind from a tiring day due to increased household chores and office work. Why not we take this opportunity to just amp up our bathing area into a rejuvenation spot? Start with simply arranging your toiletries in ceramic mugs or jute baskets that are easily available at home. For your walls, since, decorative veneers are easy to maintain you can further give a visual appeal to them. For instance, Quill by Decowood from the house of Greenlam Industries Ltd with its chocolaty shade gives your space a personality of its own while blending seamlessly with the neutral colour scheme.

Oak Earth

As you get ready to embrace this quarantine period by spending some quality time with your family, trust us, your living room will be used more often. We suggest keeping this space clean and spacious which infuses tranquillity which doubles-up the fun of the quality time and weaving beautiful memories. Bring some fresh plants inside from your garden to complement your engineered wooden floor. For instance, this Oak Earth by Mikasa engineered wood flooring from the house of Greenlam Industries Ltd when paired with summer tones of light blue, green and orange infuses a dose of refreshing air.

Mysore Ivory

We all have some hobby, so utilize this time to design a dedicated corner to enjoy what you love doing the most. Whether it an artsy abode, sports arena, reading corner or a music studio, utilise this time to re-do your bedroom for a personalized recreational zone. Since, this Mysore Ivory by Greenlam Laminates from the house of Greenlam Industries Ltd is antibacterial, impact and scratch resistant, your objects can be placed without any worries. Splash some DIY abstract patterns and place some stools or a bean bag for a seating arrangement.
