OAK DUSK

Oak Dusk from the Pristine Collection of Mikasa premium engineered wooden floors from the house of Greenlam Industries Ltd. gives your home an undeniable allure. Complement the matt finish and the subtle ingrain of dark tints

in Oak Dusk floors with elements of black tones to tie the look together. This pattern gives your space a rustic appeal, making it stand out from the rest of the décor. Mikasa Floors also offer the ingenuity of Plankloc technology that allows ease of installation through locking two planks together without the use of any adhesive. This process ensures that the floors withstand the effects of seasonal change and foot traffic efficiently.

EBONY MARBELLA

Ebony Marbella by NewMika Laminates from the house of Greenlam Industries Ltd. is an absolute must have for both commercial and residential application. This marble finish creates an unequivocal interest that makes for an edgy décor for your kitchen. The fascinating marble patterns on the wall when paired with white countertops give your kitchen a smoldering vibe. Match these laminates with white essentials for example, beautiful white chairs or quirky white wall art to create a calm and relaxing aura to your kitchen.

DISTRESSED KNOTTY PINE

Distressed Knotty Pine from the Specials Collection by Decowood premium veneers from the house of Greenlam Industries Ltd. is an excellent fitment to your décor. Distressed Knotty Pine adds drama and dynamism to an otherwise basic décor. Make sure to add a lot of plants to make your space look natural and fresh. It's best to keep the rest of the décor minimal to make it look clutter free and organised.
