

## The whimsical influence of Scandinavian Style!

Editor | August 27, 2020 @ 09:23 PM

Marked by a focus on minimalism and simplicity without compromising its beauty – this is what makes-up the evergreen trend of the Scandinavian home décor. It celebrates a blend of textures and soft hues to make your home feel inviting.

Curious about how to pull off the look? Well, worry not as we bring to you easy ways of bringing the warmth and natural essence of a Nordic retreat in your space!

### Oak Tide

Price: On request

Have been planning to visit your favorite Scandinavian country but had to put it on hold due to lockdown? How about we replicate a similar feel in your space? To start with, go for this Oak Tide by Decowood Veneers from the house of Greenlam Industries Ltd. whose exquisite grain pattern will provide warmth and individuality to your space. This veneer will help you bring in the element of real wood with the use of innovation and technology, thus weaving a rich ambiance. Further, add few high contrasting elements like a black matte finished lamp or vase paired against your white walls. To add some more drama, opt for a black and white rug in zig-zag pattern and your abode is ready!

### Cardiff Elm

Price: On request

The European style of Scandinavian décor is known to be making a statement for ages now. With every newer decade, this style is seen getting experimented with an element or two. While muted colours like beige, white has been a hallmark, you can add a pop of colour to your chairs and accents with pastel pink or mauve. For your walls, we suggest opting for this Cardiff Elm by Greenlam Laminates from the house of Greenlam Industries Ltd. whose woodgrain texture and light brown colour seamlessly blends with your colour scheme. This laminate also provides health & hygiene features – antivirus, antibacterial, antifungal that retard and kill up to 99.99% of viruses and bacteria which come in contact with the surface. Lastly, add some plants and foliage to your safe environment to complete the look.

### Oak Moonlight

Price: On request

A clean and uncluttered living room fosters freedom of creation and makes unwinding from a hectic day quite relaxing. To achieve this visually rejuvenating Scandinavian look, go for minimal interiors. For your wooden floor, this Oak Moonlight by Mikasa Floors from the house of Greenlam Industries Ltd. is an apt choice if you are looking to add a touch of sophistication to your setting. Also, Mikasa Floors are composed of three layers - real hard wood, a stabilizing core and a balancing layer, which provides solidity and stability in all types of climate. Place your modern sofa set in hues of grey to marry it with dark shades of your other interiors. Since proper lighting is the key to enhancing this décor style, go for pendent lamps and crisp white sheer curtains.
